

Honed Cold Drawn Seamless Steel Pipe Tube Honed 1026 Hf Seamless Steel Tube

Our Product Introduction

for more products please visit us on seamless-steeltube.com

Basic Information

Product Specification

- Name: Seamless Honed Pipe
- Standard: GB/T3639-2000 DIN2391 EN10305 ASTM A519
- OD: 40mm-480mm
- ID: 30mm-400mm
- Length: Fixed Length ,Random Length Or As Requests Of Customers
- Application: Honed Tube For Hydraulic Cylinder,swivel Crane,injection Machine And Construction Machine
- Material: C20 CK45 Q355B Q355D E355/ST52 SAE1026 4130 4140 STKM 13C
- Straightness: 0.5-1/1000
- Highlight: honed seamless steel pipe,
cold drawn seamless steel tube,
cold drawn seamless pipe

Product Description

Construction Industry Honed Hydraulic Pipe Cold Drawn Seamless Honed Tube

Specifications

Product name	hydraulic cylinder tube /honed tube /seamless honed steel tube	
Standard	GB/T3639-2000 DIN2391 EN10305 ASTM A519	
Material	C20 CK45 Q355B Q355D E355/ST52 SAE1026 4130 4140 STKM 13C	
Heat treatment	BK+S	
Size	I.D:30mm-400mm	O.D:40mm-480mm
Length	Fixed length ,Random length or as requests of customers	
Straightness	0.5-1/1000	
ID roughness	RA 0.1-0.8micron(max)	
Payment term	FOB, CFR, CIF, EXW, FCA and so on	
Application	Honed tube for hydraulic cylinder, swivel crane, injection machine and construction machine application	
Conservation	anti rust oiled inside and outside surface, plastic caps in both ends	
Package	bundle with steel strip and knitting strip, or wooden case	

Application

Honed seamless tubes are commonly used in industries such as hydraulic and pneumatic systems, automotive, aerospace, and precision engineering. They are often used as cylinder barrels, piston rods, and other components that require precise dimensions, tight tolerances, and excellent surface quality.

- 1) All standard steel products are stocked, timely shipping as per clients request.
- 2) Lead time generally about 15-30 working days after receiving the deposit.
- 3) Standard export package, suit for all kinds of transport, or as required.
- 4) If special requirements, may need longer delivery time.
- 5) Loading port: As required.
